# dedication

MRS. MAURINE SAYRE

We, the staff of the 1964 **Aquila,** proudly dedicate our book to one of the most devoted teachers Harding has ever known. She is not only respected by the faculty but also loved by the students. In her years at Harding, her patience and understanding have endeared her to all. Everyone who meets her is impressed by her youthful outlook on life and her boundless energy. It is with great pleasure that we dedicate the 1964 **Aquila** to such a wonderful person as Mrs. Maurine Sayre.

Lawanda Connally
Editor

Mrs. Maurine Sayre helped Jane Ingle gain a clearer understanding of trigonometry through patient help.

A builder builded a temple:
He wrought with care and skill;—
Pillars and groins and arches
Were fashioned to meet his will;
And men said when they saw its beauty:
"It shall never know decay.
Great is thy skill, O Builder,
Thy fame shall endure for aye."

A teacher builded a temple;
She wrought with skill and care;—
Forming each pillar with patience,
Laying each stone with prayer.
None saw the unceasing effort;
None knew of the marvelous plan;
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple;—
Crumbled into the dust,—
Pillar and groin and arches
Food for consuming rust;
But the temple the teacher builded
Shall endure while the ages roll;—
For that beautiful, unseen temple
Was a child's immortal soul.

# administration

Discussing English [illegible] with Mr. McFeaters is Department Head Mr. [illegible]

# principal

Mr. Darrell McFeaters completed his second year as principal of Harding very successfully. He enthusiastically supported all school activities throughout the year. His participation and interest in the Harding academic life sparked student spirit. Mr. McFeaters earned his Bachelor's degree at Northwestern State College at Alva and his Master's at Oklahoma State University. He has done additional graduate work at Oklahoma University and Greeley, Colorado. By showing students what is expected of them and helping them see their achievement Mr. McFeaters helped them find and reach new goals.

# assistant principal

Having charge of curriculum and attendance, Harding's Assistant Principal, Mr. L. V. Irwin, encouraged the cooperative spirit of the students and faculty. His tireless devotion and service to the administration have made him an asset to our school during the two years he has been here. Mr. Irwin attended Phillips University in Enid, Oklahoma, where he obtained his Bachelor of Arts and Bachelor of Science degrees. He attended Northwestern State in Alva, Oklahoma, and the University of Oklahoma, where he received his Master's degree in Education.

Mr. Irwin ponders the problems of his administrative duties.

Under the able direction of our activities director, Miss Edyth Jacobs, the 1963-64 Senior High Student Council sought to instill a feeling of pride in our school, foster a sense of responsibility to our school, and make possible the harmonious working together of the student body, the faculty, and administration. Some of the many projects which were too numerous to list include an initiation assembly for new students, United Appeal Drive, Band Uniform Drive, Toys for Tots Drive, the annual Valentine Dance, and presenting informative and interesting assemblies to the students.

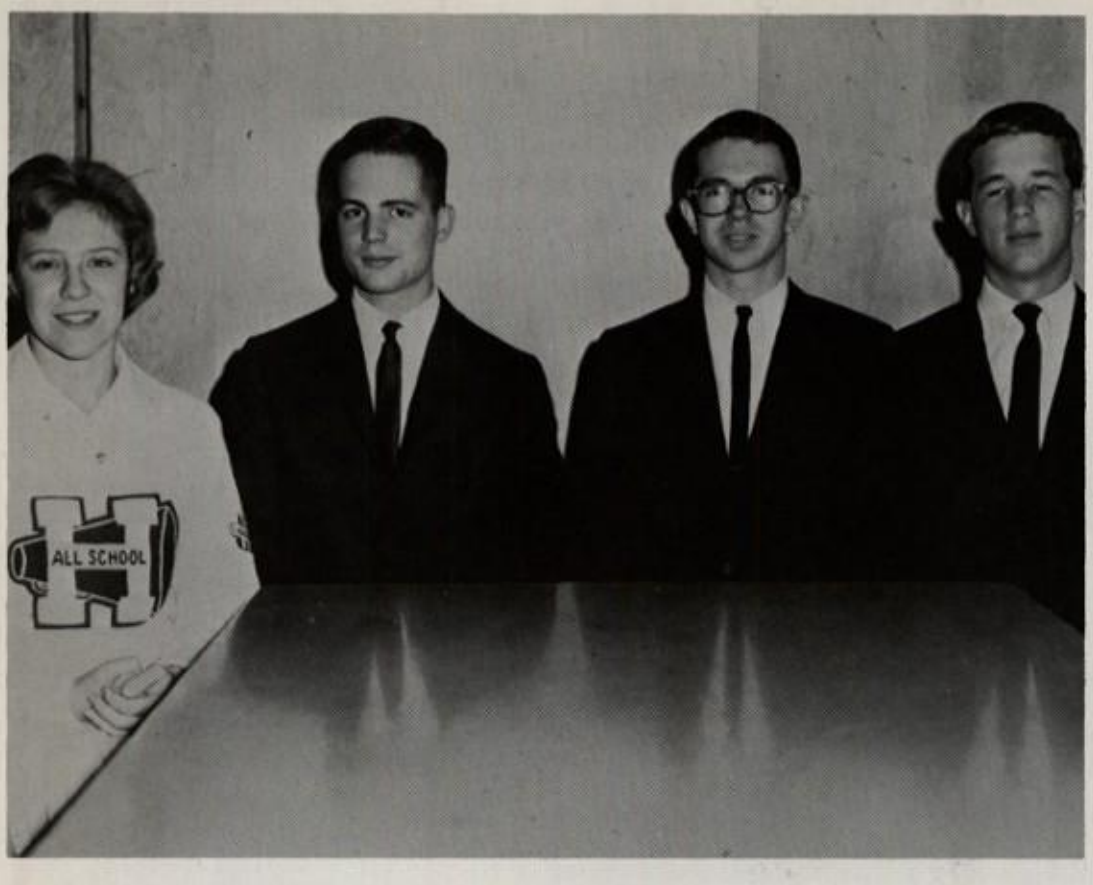
# safety council

Insuring a happy school year and promoting safety among the students both in and out of school was the goal of the 1963-64 Harding Safety Council. Members participated in many events in co-operation with school, city, county, and state safety officials to inform the students about safety. They attended a Mayor's Conference on safety in December and appeared on many television safety quiz programs in competition with students from other high schools. Safety Council members, chosen by the advisories because of their interest in safety, also had the responsibility of putting out traffic signs around the school and registering all automobiles driven by students and faculty members.

Tracey Burdick, Secretary; Danny Murd Vice-president; Mc illian, President.



Ginger Shackford, Treasurer; Jerry Serwer, President; Richard Bard, Vice-president; Eddie Polk, Secretary.

# national honor society

Creating enthusiasm for scholarship, stimulating a desire to render service, promoting worthy leadership, and encouraging the development of character in students, the Astra Chapter of the National Honor Society reached its highest membership in its history at Harding. To promote more interest, the chapter first informed its initiates of their membership in a school wide assembly in November. The initiation took place in December and during Commencement exercises all senior members wore a special gold hood with their caps and gowns.

Stimulating interest in the study of Latin and the classics kept the members of the Junior Classical League busy. This group had speakers telling of the classics and organized the annual Latin Banquet. Members attended state and national conventions in addition to monthly meetings. All were initiated as charter members in a ceremony presented by Northwest Classen members.

Promoting a better understanding of the practical and cultural values of foreign language, the Phi Epsilon, Honor Language club, featured speakers at many of the meetings. The first meeting was held at Mrs. Helen West's house when Jim Hamill showed pictures and told about his recent trip to Europe. Members must be enrolled in the third year of a foreign language with at least a 3.3 grade average in that subject.

Giving the Harding stuffed eagle a permanent home was the 1963-64 Hi-Y Club. As its first project of the year, this industrious group of boys bought a glass cage for our stuffed eagle. Throughout the year, the Club provided service to our school, community, and state while developing standards of Christian character among students. The Club raised money to support the United Appeal, Band and March of Dimes drives. As an added project members went to the state Hi-Y Legislature where they introduced bills they had written.

# courtesy club

To serve and represent Harding High School in school and community through ushering is the main duty of the Courtesy Club. Sponsored by Mrs. Carrie Starks, its various projects included a candy sale and a style show with the Key Club. The club's most successful activities were a progressive dinner and the annual Snowball Dance. Membership eligibility is based on the number of hours that girls have given in ushering.

# key club

"Let's be number one," was the slogan of the 1963-64 Harding Key Club. After unanimously passing the resolution to be the number one club in the Texas-Oklahoma district, the members began the laborious task of obtaining this coveted award. Each of the 65 boys in the club was given the chairmanship of at least one project. Throughout the year the club worked closely with school officials and its sponsor, the Uptown Kiwanis Club, to maintain a constant flow of service to its school, community, and country, and develop qualities of leadership and a sense of civil responsibility among its members.

# senior high pep council

By organizing projects and activities to generate pep and enthusiasm, the Harding Pep Council organized projects and activities to increase the school spirit and support for the teams. Purposing to better relationships between pep clubs, it regulated club policies, approved money-making projects, sponsored pep club activities, and worked with the clubs in decorating goal posts and selling programs. The pep council sponsored its annual Homecoming Dance welcoming grads.

To the many boys at Harding who have lettered in a varsity sport goes the honor of joining the Boys' O Club. This organization seeks to instill fellowship, sportsmanship, and scholarship among the students. Members have the pleasant task of nominating and escorting the All Sports Queen candidates. The boys are also in charge of the concession stand at the basketball games. This year the Club gave a donation to help the band buy new uniforms.

# debette pep club

Enthusiasm was shown by the Debette Pep Club in its supporting all school activities and its adding spirit to the pep assemblies and sports events. Miss Mary Stewart, Miss Sandra Sacher, and Miss Ila Zoe Bickle, sponsors of the club, especially enjoyed the calendars which were given to all faculty members at the opening of school. A Pirate Party was held in September to welcome new members and acquaint them with the old ones. The Debettes sponsored their annual Spring Sports Dance which recognized all boys out for spring sports.

# okette pep club

All sports events were supported enthusiastically by the Okette Pep Club. The Club began the year by greeting each faculty member with a flower pot, holding a welcome party for Alex Anastasiadou, the foreign exchange student, and giving a "Howdy" party for new members. During the year they had a Christmas caroling party and the annual Okette dance. One of their main money raising projects was selling pencils with football and basketball team schedules on them.

# future teachers of america

Tenth, eleventh, and twelfth grade students showing an interest in the teaching profession and maintaining a 2.5 grade average are eligible to join the Future Teachers of America. Members participated in projects to improve their interest in the teaching profession by gaining knowledge of its rewards. At Christmas time a party was given for children at a needy school. Later the members went to an elementary school to observe teaching methods. A $100 scholarship was awarded in the spring to a deserving senior.

Medical Careers Club was a new addition last year to the many at Harding. It served to encourage and interest many students in going into the field of medicine. Field trips were often planned and guest speakers were featured for the members. Applicants were accepted in grades nine through twelve. Mrs. Lucy Field sponsored the Club.

A novel activity for many Harding students during 1963-64 was participating in the newly-formed Symphony Hi-Notes Club. Sponsored by the Women's Club of Oklahoma City, this organization created interest among the students for the popular and classic concert music. Members publicized, sold tickets, and ushered at concerts given by the Oklahoma City Symphony Orchestra.

# red cross council

Tim Mauldin, President; Jim Hamill, Vice-president; Sharon Clarke, Secretary; Pam Henry, Treasurer.

Through its co-operation with High School Red Cross, Harding's Red Cross Council offered service to the county, state, nation, and world. It served the community by manning volunteer teams for Oklahoma University's hospital, providing volunteers for the motor service, and sending relief packages abroad. The year's activities included working for Veterans' Hospital and Central State Hospital, filling a chest of supplies to send abroad, and assisting the County Red Cross in its work.

# science club

Taking complete charge of the 1964 Science Fair was the Harding Science Club. Beginning early in the year the club members began making plans for this annual event held in the first week of February. The club also sponsored many other projects which promoted interest in the various fields of science and encouraged the development of scientific reasoning among the students. Among these was collecting a catalogue of the various scholarships offered to high school students to be made available to anyone who desired to apply for one.

# art club

The main goal of the Art Club is to promote interest in art, help the community in any way possible, and give those students who do not have art classes a chance to express themselves creatively. The members of the club were very busy making Thanksgiving centerpieces and sending them to the Veterans' Hospital. At Christmas, they decorated boxes to sell to buy gifts for a needy family.

All Harding students enjoyed the Christmas assembly directed by Mr. Ray Gudenburr.

Keeping all instruments in good shape is one of the duties Mr. Ray Gudenburr must perform as band director.

# band

Providing music, pep, and spirit at our football games, basketball games, and pep assemblies was the Harding Band. Under the able direction of Mr. Ray Gudenburr, this organization has grown from 25 members to its present 100. Complete new uniforms were purchased this year after raising the $8,200 needed to buy them. Harding's patrons, students, and many clubs and organizations all collaborated to raise this money. A special band assembly was held and 600 shares of stock in the band were purchased by the students. The band proved worthy of their new uniforms by excelling in many concerts held throughout the state and presenting a beautiful Christmas concert.

The band prepares for its performance at the Slippery Rock football game.

# junior high student council

Junior high students have the opportunity to plan and co-ordinate their activities by participating in the Junior High Student Council. Members include junior high advisory presidents and Junior High Student Council officers, all of whom serve one semester. Under the direction of Miss Jacobs, this group of future leaders seeks to serve the school by managing all junior high functionings and supporting the Senior High Student Council in many of its activities. Among the projects promoted this year were the United Appeal Drive, Toys for Tots Drive, Christmas Appreciation Drive, Band Drive, Used Clothing Drive, and many worthwhile projects.

Promoting pep and enthusiasm throughout the Junior High was the Shannon's main objective. During the year they raised money for wrestling uniforms and contributed to the band drive. Another project was the concessions stand which the club managed at Junior High sports activities. In the spring the annual Pep Club Dance was held, and the Pep Club King was crowned.

# shenanigan pep club

Supporting the junior high athletic teams and generating the spirit of the junior high were the main purposes of the Shenanigan Pep Club during the 1963-64 school year. Among the projects for the club were the raising of money to buy new uniforms for the Junior High Wrestling Team and help a needy family at Christmas time. During the spring they co-sponsored the annual Junior High Pep Club Dance with the Shannon Pep Club.

Although not champions, a certain enthusiasm and drive characterized the Harding football team. This spirit added glory to victories and took the edge off defeats. Versatility was evident; yet, overall defensive play was truly superlative. Unusually large and mobile for a high school team, the line kept opponents' gains to a minimum; however, the Eagles also excelled in offensive play. The backfield performed efficiently under able leadership and competent support. Each fan agreed that the power of the Harding team lay not only in its ability to win but also in its fervent desire to play the game well and to the best of each member's ability.

Oklahoma City's Football Preview was the proving ground for the Eagle team. Harding met the challenge and went on to score the only touchdown for the West. Records do not tell the whole story, and so it was with Harding's football team. The opener with **SOUTHEAST (0-6)** proved to be a disappointment, yet Eagle fans saw promise in the leadership of quarterback Harry Cheatwood and the strong defensive line. However, Harding rallied against **EL RENO (30-0)** and showed their strength by completing numerous scoring bids. Ability for broken-field running was marvelously displayed by back Dick Wallace. For the fourth time in four years Harding blanked **NORTHWEST (8-0).** A drive in the first quarter was climaxed with fifty-six yard touchdown run by Harry Cheatwood. Harding then rolled up another decisive victory against **CENTRAL (34-6).** Dick Curtis began

the second half well by sprinting fifty yards for Harding's second touchdown. Sophomore Bill Roark made his scoring debut early in the fourth quarter by picking off a Cardinal pass and carrying it fifty-five yards. True determination was evinced by Harding in the **MIDWEST CITY (0-14)** game. Each team met its match, for there were only three first downs in the first half; however, the Bombers capitalized on Eagle errors to take the lead. Harding then rolled past **CLASSEN (40-14).** Fourteen of the Eagles' points were made by fullback John Scott, who scored two touchdowns and made one conversion. The **JOHN MARSHALL (6-13)** game brought together two teams which were evenly matched, for most drives in the first half ended in a punt. Two scores by John Marshall in the second half could not be matched by the Eagle team, though they tried their best. Eagle effort was well rewarded in the **STAR-SPENCER (34-8)** game. Outstanding among the Harding line-up was fullback Tom Townley, who scored both in the second and fourth quarters. Harding's Homecoming with **NORTHEAST (12-8)** proved to be an exciting game. At the end of the first half, Harding had a narrow edge of 6-0. However, the second half was very tense, for the clock ran out as Northeast was driving for a score. Harding's final game of the season with **LAWTON (6-20)** climaxed a season of team effort. Although the Eagles lost, Harding defensive play was skillful and efficient, and the team satisfied themselves and the fans with their ultimate effort.

Coach Don McDonald's Junior Eagles compiled a winning record of seven wins, one loss, and one tie. The victorious footballers blanked five foes and held the rest to a total of less than one touchdown per game. The surging offense amassed one hundred fifty-two points. Injuries slowed the junior gridders down in the second half of the season, but the determination was still there.

Starting their football careers under the guidance of Coach James Allen, the eighth grade team gained much valuable experience. In them was evident the desire and spirit characteristic of all Harding athletes.

Spectators at junior high games were reassured as to the future of Harding football. Twenty-seven ninth grade boys received their first letters, and three boys received their second letters. Successful varsity football seasons are assured for at least the next four years.

Stiff competition confronted the Eagles in the second half beginning with a loss to Stillwater. Following this came a well-fought game with Star-Spencer which was lost in the overtime. The next three games were losses, but hopes were high in the Classen game, for Mark Munnell returned after having sustained an ankle injury. The team moved skillfully and won a well-deserved victory. An expected win over Del City was foiled when the Eagles from Del City had a hot night on the boards. The last game of the season, John Marshall, was an exciting game fought by our hard working 1964 roundballers. Fans admired this year's team, for they were a fine group of athletes.

Carefully sizing up his Southeast opponent, David Cole moves with caution.

Experience seemed to be the determining factor for Harding's Senior High grapplers during the 1964 season. Proving this point were seniors Jim Griffith, Jerry Griffith, and John Scott, whose consistent victories kept the team's hopes always alive. In their first match, these three seniors brought the only Eagle victories. This feat was often repeated by these faithful scorers. The longest undefeated record during the season was held by Jim, who did not fall until the last two matches against Tulsa Memorial and Norman, and then losing by only close margins. Finding their chances to be state champions by qualifying in the regional tournament was another accomplishment of the trio. John received a first place, Jerry a second, and Jimmie a third in the regional competition. Although other team members were not as consistent in winning, their efforts made the team. Senior Charles Jones was injured early in the season and did not have many chances to add his abilities to the team. Always in there with a good match no matter what the outcome was senior Jim Hyde. Finding support from underclassmen, Coach James Allen saw promises of future outstanding teams. Among the promising grapplers were juniors David Cole, Robert Kastens, Rick Godfrey, sophomore Jerry Edwards, and freshmen John Hoke, Dean mel and Dana Roberts. Each showed great ability and strength and was a key asset to the team.

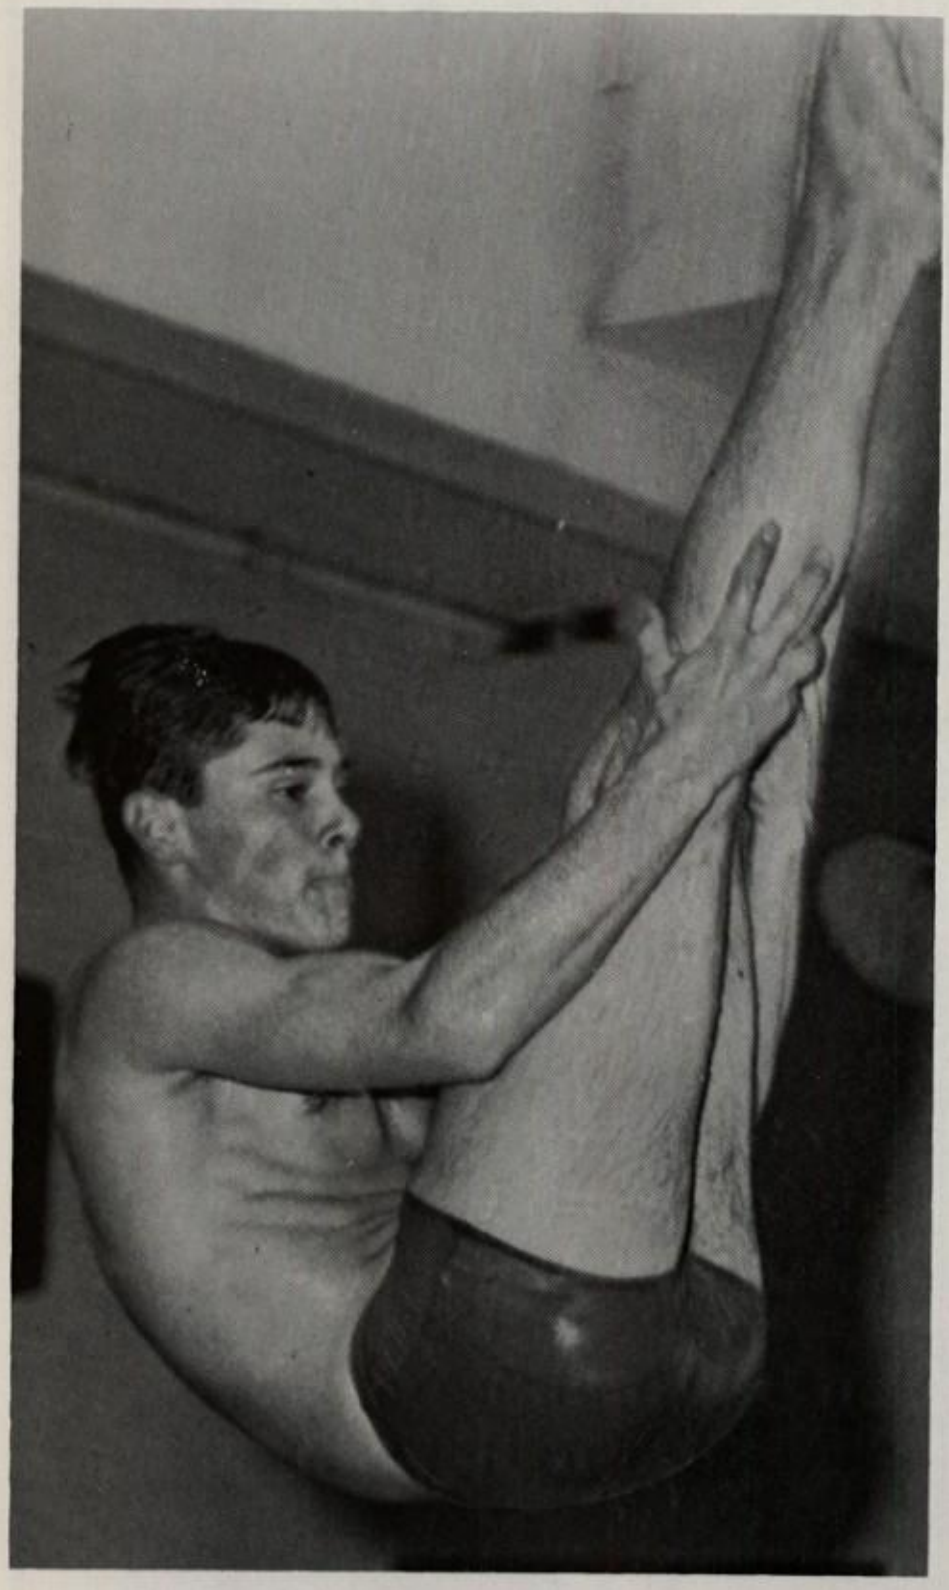
# swimming
## varsity



One of the most successful divers, Court Lisle, goes high into the air while doing a reverse dive.

Coming through with another victorious season, the swimmers were Harding's lone championship team. Only a narrow loss to Tulsa Memorial kept them from a second straight perfect season. Since competition in the city is somewhat lacking, Coach McDonald tried to provide a challenge by scheduling meets with outside teams. The Eagles faced Tulsa schools, which emphasize swimming, three times as well as Ponca City and Enid which are familiar rivals.

"Records are made to be broken" seemed to be the team motto, as every meet saw at least one standard fall. In the All City Meet the Eagles posted four of the nine new times after qualifying twenty boys in the preliminaries.

Depth was one of keys to the mermen's success. Outstanding senior was butterflier Steve Baker, who turned in excellent performances against tough opposition. However, most of the strength lay with the juniors. Tom Weirich was a familiar hero, repeatedly breaking his own records in the backstroke. Bobby Morrison was never disappointing when swimming breaststroke; and Richard Zahn, Bob Fay, and Gi Campbell consistently came through with winning freestyle efforts. Sophomores and freshmen were not without representation; Allen Smith, Bill Roark, Mark Hain and Bobby Thompson provided much-needed points while showing great potential.

Because of the large number of boys competing, swimming's future at Harding looks promising. The increasingly great crowds of spectators at meets showed that swimming is rapidly becoming one of the school's most popular sports.

Inspiration and incentive provided by Coach Don McDonald led the swimmers to another victorious season.

Leading Harding's golf team to another winning season is Eddie Polk, past Oklahoma City Invitational Winner and High School Champ. The team started the year off brilliantly by upsetting Northeast and Shawnee to win the Shawnee Invitational. Harding is fortunate because this year's team has very good depth. Mike Smiley, Butch Freede, and Steve Ingle will add strength to the team, and hopes are as great as ever that they will win the City High School Team and Individual Championships.

Charles Freede goes to school on one of Ed Polk's non-erring putts.

The **Aquila** staff proudly presents the 1964 **Aquila Queen,** Miss Carolyn Gilbert. Queen Carolyn was chosen by purchasers of the 1964 **Aquila** from a field of five candidates nominated by the **Aquila** staff.

Queen Carolyn found her high school years filled with activities to always keep her busy. During her junior and senior years, she served as a Class Favorite candidate. Also during her senior year she served as president of the Debette Pep Club and secretary of the Courtesy Club. She excelled academically and held membership in Phi Epsilon, Junior Classical League, and Monday Forum.

Queen Carolyn was escorted by John Scott in the presentation assembly. Members of her royal court were Cathy Baker, Jan Rieves, Melanie Sapper, and Ginger Shackford.

The Marionette Queen is chosen during her junior year to reign as royalty of the school paper, "The Marionette." Five candidates out of the ten nominated are chosen by the subscribers to the paper. Lovely Martha Fryer was selected to reign in 1963. Martha was a member of the Courtesy Club and the Future Teachers of America. In her sophomore and junior years, she was a member of the class councils and a candidate for class favorite, to which she was elected in her junior year.

Queen Martha's attendants .included Marsha Melton, Ceci Allen, Jan Rieves, and Donna Williams, escorted by Danny Smith, Bob Holmes, Tom Keltner, and Harry Cheatwood respectively. Martha was crowned by Bob Beasley on February 14 in an impressive Valentine assembly.

Attendants Laurie Kaufman, Judy Midkiff, Gerry Midkiff, and Patty Bonnell were escorted respectively by Eddie Polk, Harvey Harmon, Jim Parker, and Bob Beasley. Queen Sally was crowned by Steve Baker.

Sally Morrison

# king and queen of hearts

Sally Amspacher's senior high years have been brimming with activities and interests. As a sophomore, she was a member of both Student Council and Sophomore Class Council, while her junior year brought membership in both the Courtesy Club and Phi Epsilon. The following summer she was chosen to represent Harding at Girls' State. During her senior year she was elected class secretary and nominated for All-Sports Queen and Snowball Queen. Spanning all three years of senior high has been her membership in the Okette Pep Club and her candidacy for Class Favorite.

Harry Cheatwood's outstanding participation in the field of sports has filled a large portion of his senior high years. While a sophomore, he went out for track and received a letter for this. He also earned letters in football and basketball during his junior year. Along with his sports activities came membership in the "O" Club for all three years. To this he added membership in the Hi-Y. With his activities and outgoing personality, Harry has never failed to win the esteem of Harding students. He has been a class favorite candidate for the last three years, and as a junior he won the title of class favorite.

John Fitzgerald Kennedy
1917-1963

## IN MEMORIAM

John Fitzgerald Kennedy, the thirty-fifth President of the United States, was a man of courage and conviction. He was the symbol of youthful energy and mature responsibility, the exponent of greatness to many of us. We measured the wide interests of his mind, the swiftness of his resolution, and the sincerity of his devotion. We sensed the inspiring quality of his challenge when we heard him proclaim:

> **Let every nation know . . . that we shall pay any price, bear any burden, meet any hardship . . . to insure the survival and success of liberty.**

All that the young President promised in these words he courageously delivered. The price he paid was life itself. He has written in unforgettable language his own epitaph.

The announcement of the death of our President brought numbing grief to the entire world. Harding students, stunned and sorrowful, joined to offer a reverent prayer:

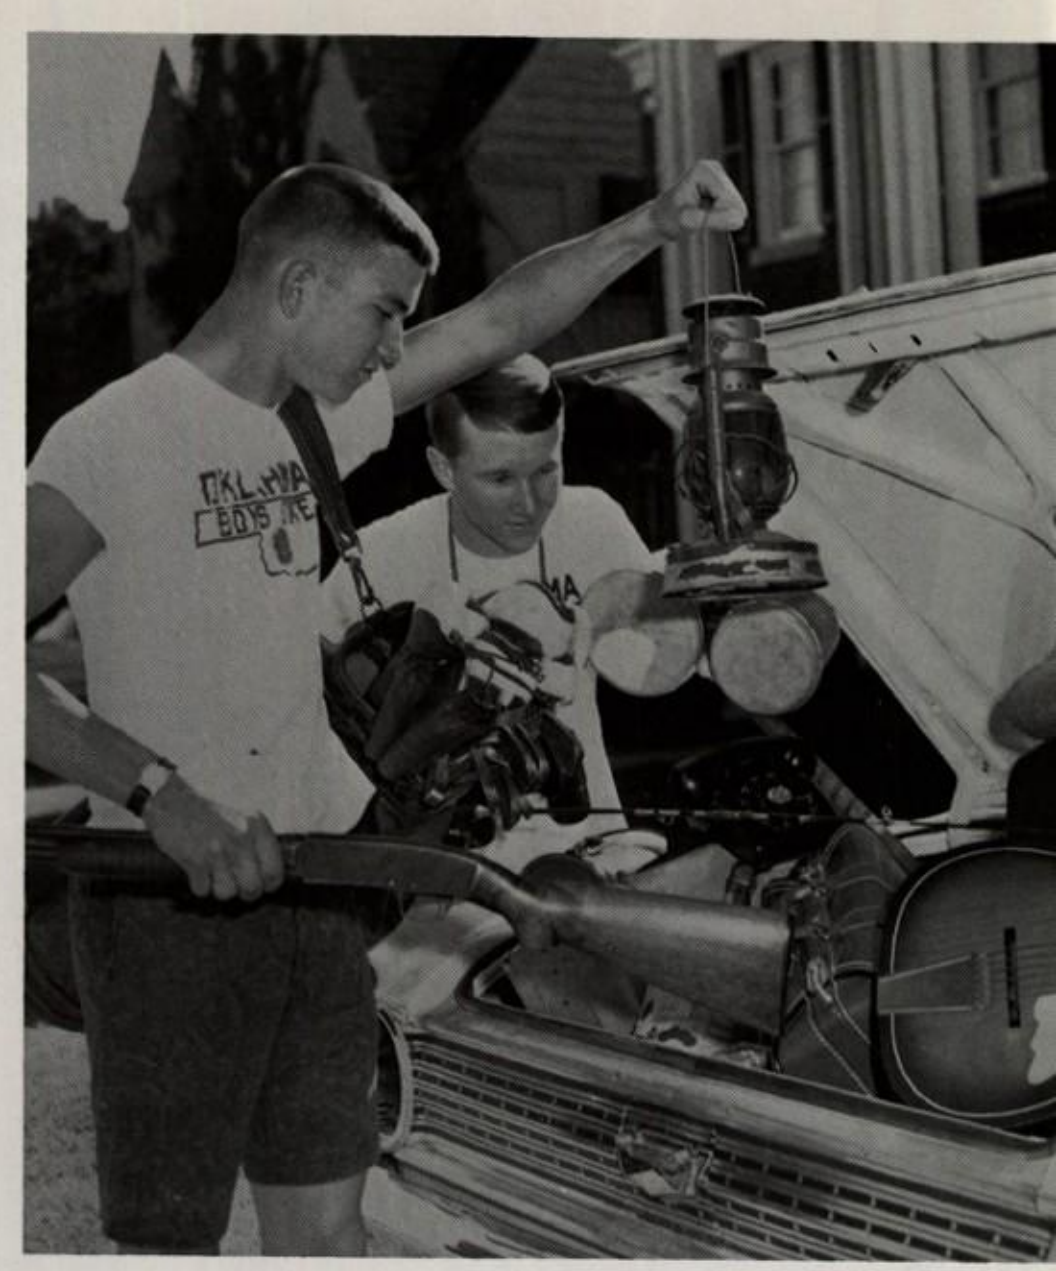
> **Heavenly Father, today we are saddened by the loss of a great man. For him we offer our prayers. May he live in our hearts as an inspiring example of his famous challenge: "Ask not what your country can do for you—ask what you can do for your country." Enlighten our minds and help us to remember that death is the beginning of life—not the end. And for us, the living, that life must continue. Turn our sadness to inspiration and strength that we may continue the work which he so valiantly strove to accomplish.**

We buried John Kennedy, but we did not bury his dreams or his work. His noble task has been passed on to us.

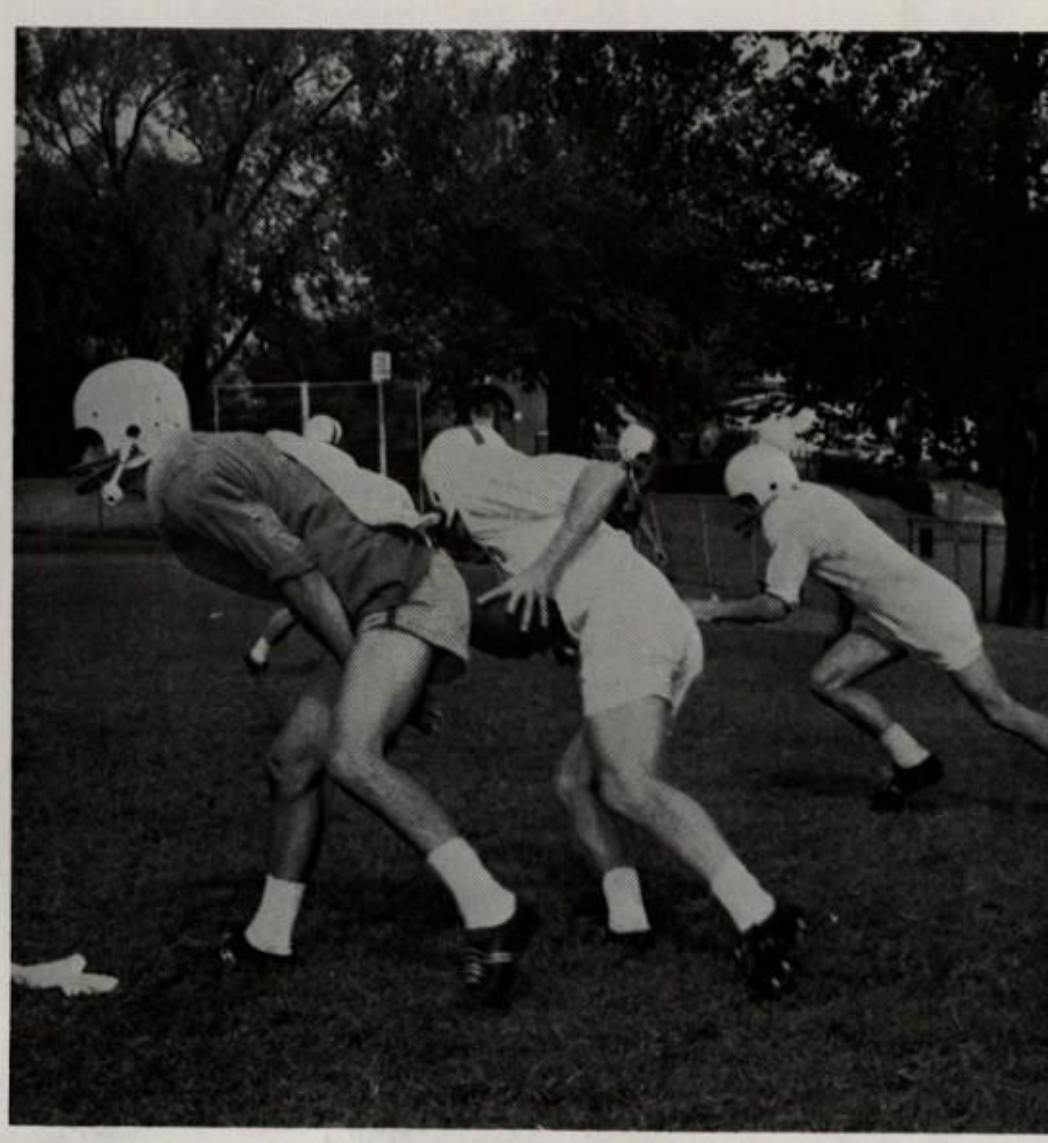
> **Let the world go forth from this time and place, to friend and foe alike, for the torch has been passed to a new generation of Americans . . .**

# summer is preparation

In addition to the leisure activities of summer, students spent much time in preparing for the coming school year. Harding was represented at Boys' and Girls' State in early June. Officers of Harding's Student Council attended a state conference at Edmond. The cheerleaders became acquainted with new ways to promote school spirit at clinic, and about fifty boys began football practice. Climaxing the summer was the arrival of Harding's foreign exchange student, Alex Anastasiadou. She came in late August to live with her new parents, Dr. and Mrs. Richard Clay, and her sisters, Harriette and Marty. Alex became a part of Harding immediately by participating in such activities as Student Council and Pep Club.



Ford Cashion, Jan Rieves, Harvey Harmon, and Ken Morgan are on their way to attend a Student Council Conference meeting at Edmond.



Summer football practice was a large part of August days for about one hundred boys out for this sport.

Sally Amspacher, Ford Cashion, and Tom Keltner prepared to attend Boys and Girls State. These conventions are sponsored by the American Legion for the purpose of promoting participation in government.

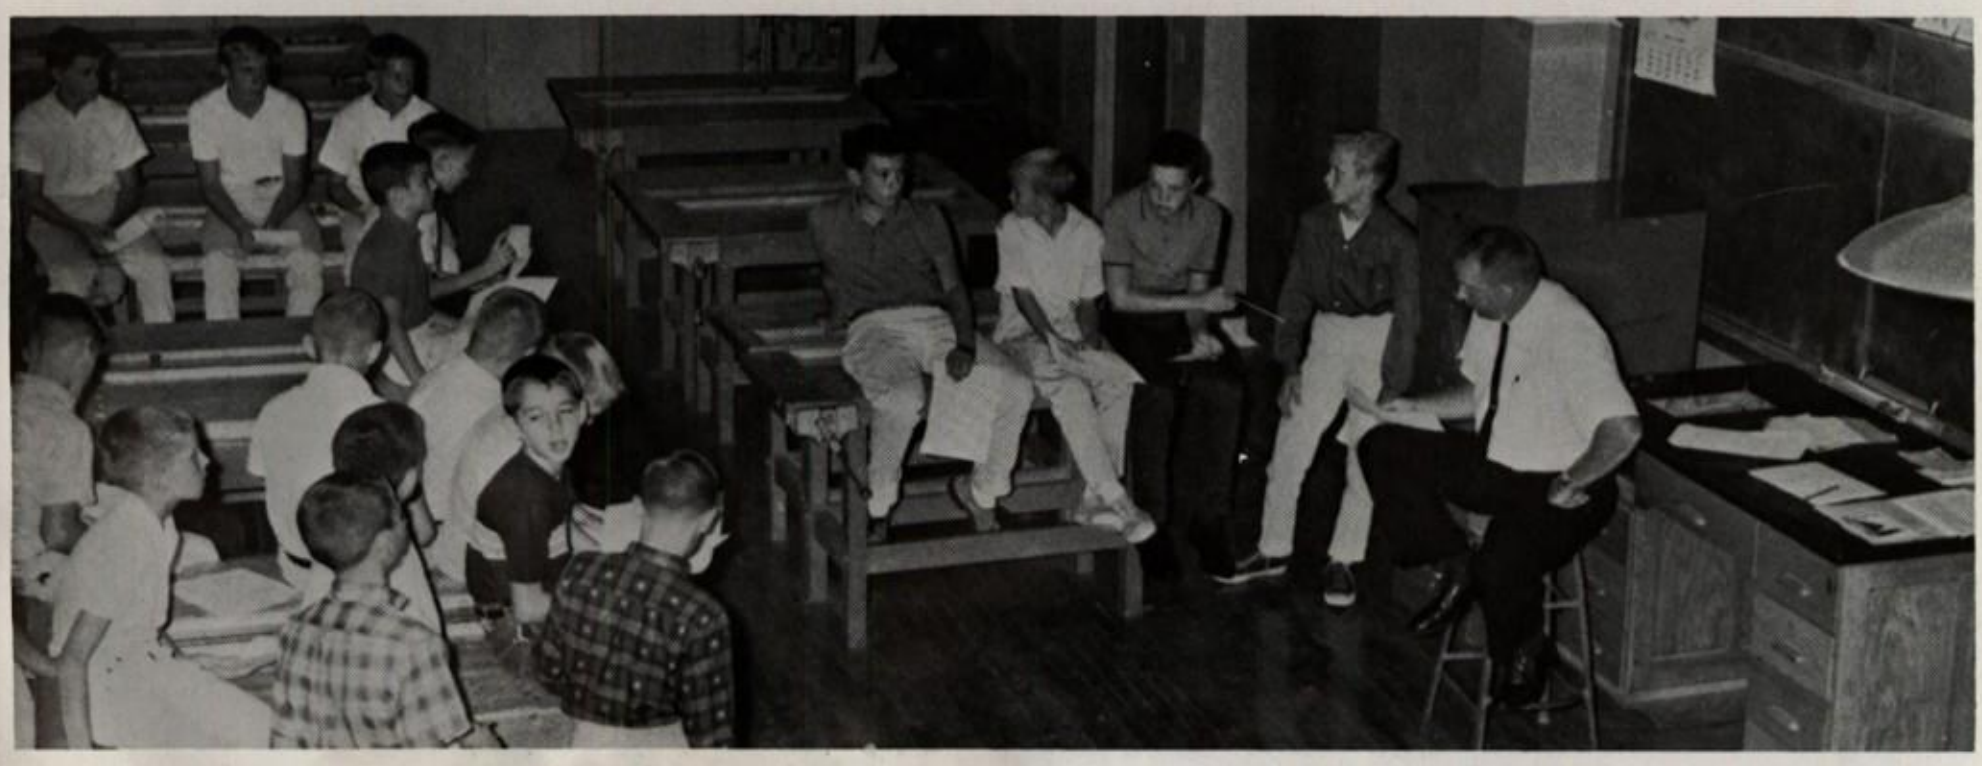
Harding cheerleaders mastered several new techniques at clinic.

Alexandria Anastasiadou met Harriet Clay, her sister for a year, at Will Rogers International Airport.

# welcome is new faces and friendly greetings

"Student Council" meets "Seventh grade"

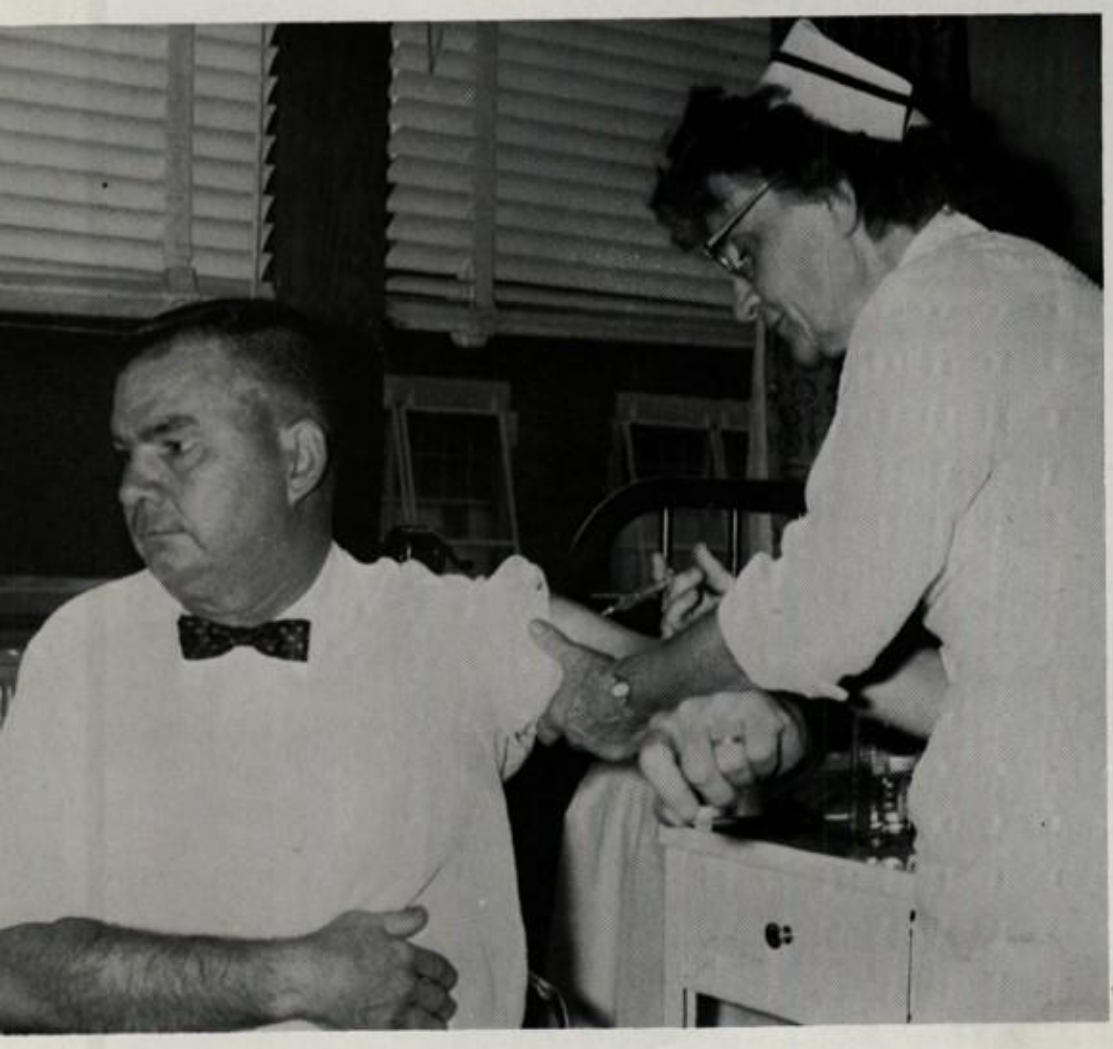
Shouts of "Welcome back!" echoed through the halls during the first weeks of September. Everyone was able to take a part in starting the new school year at Harding. The Key Club and the Courtesy Club joined the Student Council officers in greeting the seventh graders and welcoming them to Harding on Invasion Day. The Okettes and Debettes both gave parties to welcome new members into their clubs. Even the faculty was "welcomed" back with flu shots from Mrs. Field. As the weeks passed, everyone adjusted to new classes and new teachers, and all realized that an exciting, busy year lay ahead.



Mr. Don Etheridge introduces several seventh graders to the fundamentals of shop routine.

An uninvited guest was nevertheless welcomed at the "Kick-off Okette" party by Vicki Phelps, Cathy Baker, and Sally Welker.

New members, including Alex, were welcomed into the Debette crew at their September "Pirate Party."



Mr. L. V. Irwin was given a rather unusual welcome by Nurse Field, as the teachers prepared for a new year.

Courtesy Club officers huddle to decide upon assignments for members helping during Invasion Day.

Joyce Carpenter helps welcome boys onto the field through the frame she made for every game.

# fall is school spirit

The advent of fall brought varied activities and both money-making and ser ice projects. Students attended pep assemblies and football games and wer all acquainted with the question of school spirit. Among the numerous pro ects were the F.J.A. Bake Sale, the Band Drive, and the Key Club Bus Was Variety has always been characteristic of Harding, and fall 1963 was no ex ception.

The Band, represented by Chuck Thomas and Mr. Ray Gudenburr, resorted to many methods of raising money for their uniforms.

No small amount of a cheerleader's time is spent "exercising" before groups of cheering fans.

Our faithful eagle, Suzie Ferguson, was never far from the field at game time.

Susan Jernigan, Dee Dee Donoho, Sally Berger, and Jan Ingram added pep to the Spaghetti Supper with their skit.

The bus received a dubious shine while Key Club members clowned.

# homecoming is a football game and old friends

Senior Pep Club girls spent many hours with chicken wire and crepe paper to construct . . .

The romantic mood of the Homecoming Dance captivated Queen Ceci Allen and her escort, Mark Munnell.

A giant eagle! They equipped the float with a Viking, Randy Buttram.

Homecoming was a different sort of day from any other at Harding. An air of expectation prevailed as students engaged in the many activities leading up to the exciting game. The student body began the day by attending a pep assembly in order to arouse spirit and interest in the game. At the assembly the cheerleaders were given white mum corsages by the senior high pep clubs. During the day many were involved in decorating for the dance and the eagle float. At the game, cheerleaders and pep club girls led the team onto the field, and all enjoyed an exciting first half. Finally came the climax of the day's events—the coronation of the All-Sports Queen. As the band played "Let Me Call You Sweetheart," each candidate was escorted onto the field. After the sports princesses were announced, vivacious Ceci Allen was proclaimed 1964 All-Sports Queen. A perfect day was brought to a close with the annual Homecoming Dance, to which the two previous graduating classes were invited. All enjoyed talking to the grads and dancing to the music of the Travelers.

Youth and Citizenship Week officials Jerry Guffey and Harry Cheatwood accomplish their duties as principal and vice-principal with a knowing air.

Filling the chilly days with many activities, the students enthusiastically greeted the winter months by participating in Youth and Citizenship Week, and by attending various club initiation banquets and special dinners. Among these were the F.T.A., Honor Society, Mu Alpha Theta, Phi Epsilon and Science Club initiation dinners and the Latin Banquet. Added to these were several projects, such as the A.F.S. advisory projects, March of Dimes Bread Drive, and the United Fund projects.

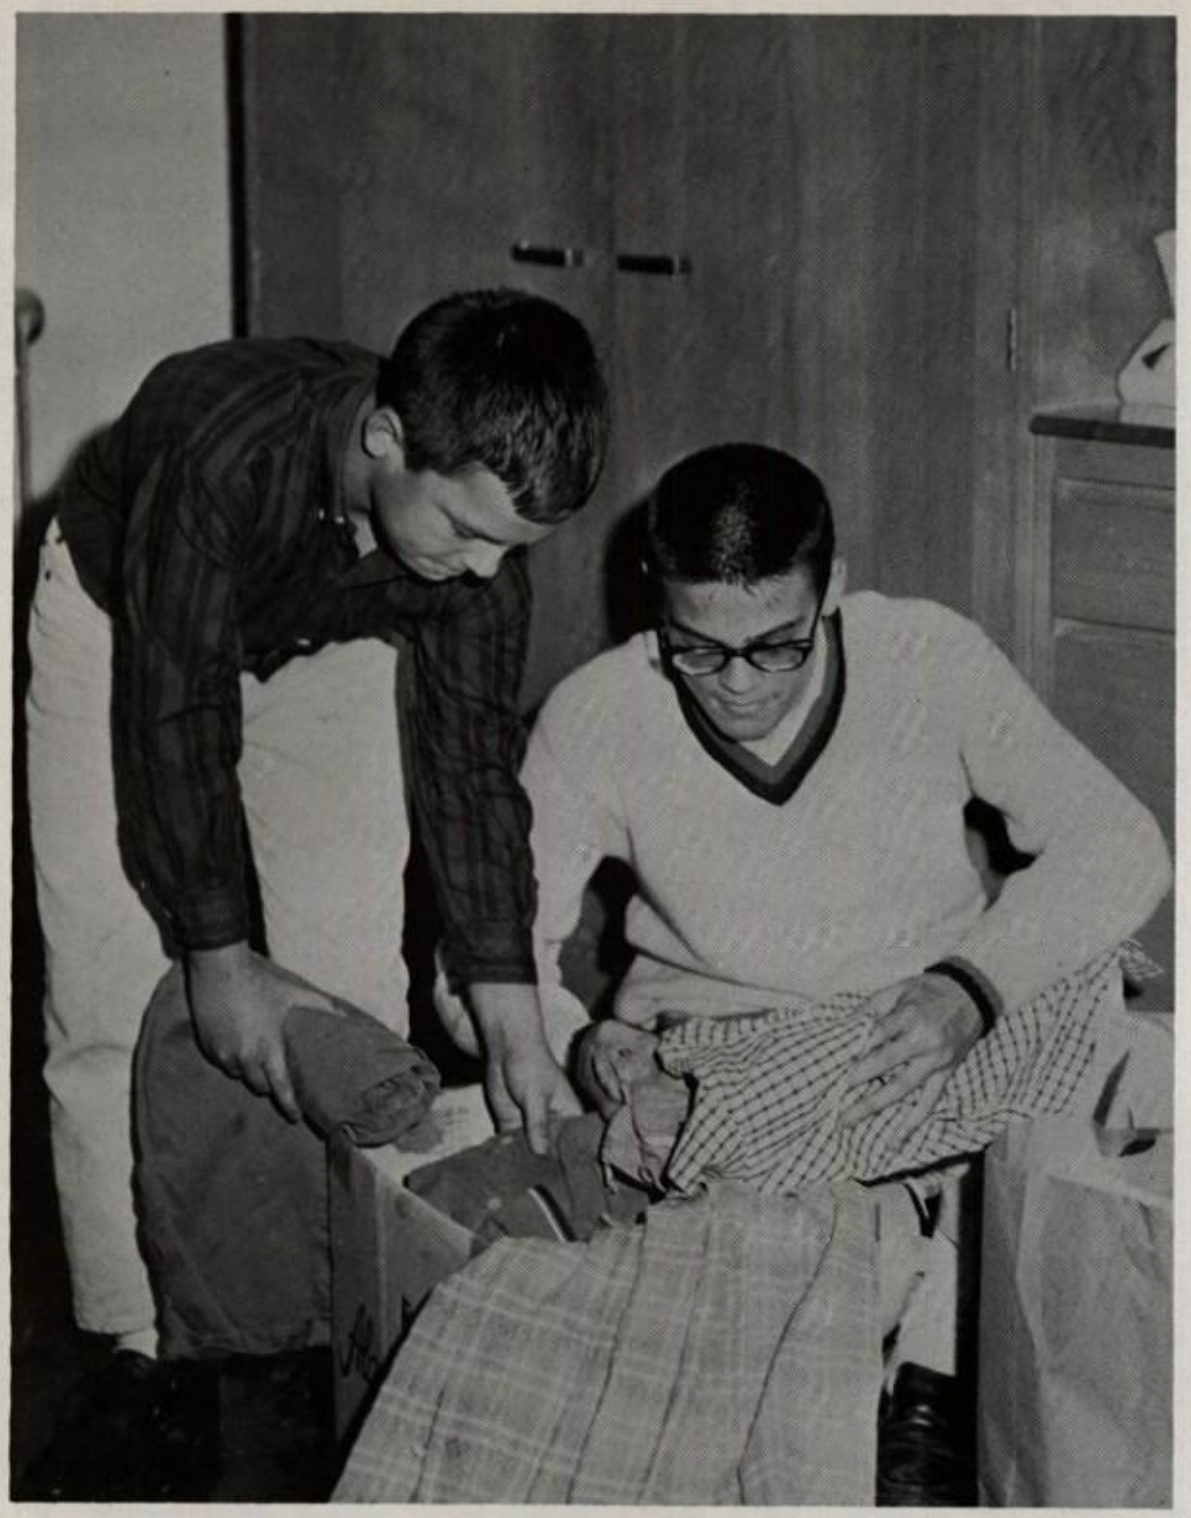
lays, parties, and assemblies filled the Harding social alendar to overflowing. In addition to the all-school eap Year dance, many clubs had dances during the inter and spring months. The speech department pre-ented four outstanding plays before eager audiences, nd pep assemblies and departmental assemblies kept veryone busy throughout the year.

Sally Frye and Tom Keltner, newly crowned Snowball King and Queen, began their reign by sharing a dance.

Susan Jernigan and Gus White added a little color to the all-school play, "The Miracle Worker."

Helen Keller, played by Minette Ridings, learned the art of expression from Annie Sullivan, played by Marilyn Wheeler.



Gary Purcell and Tony Clark pack clothes to be sent to the needy during the Clothing Drive.

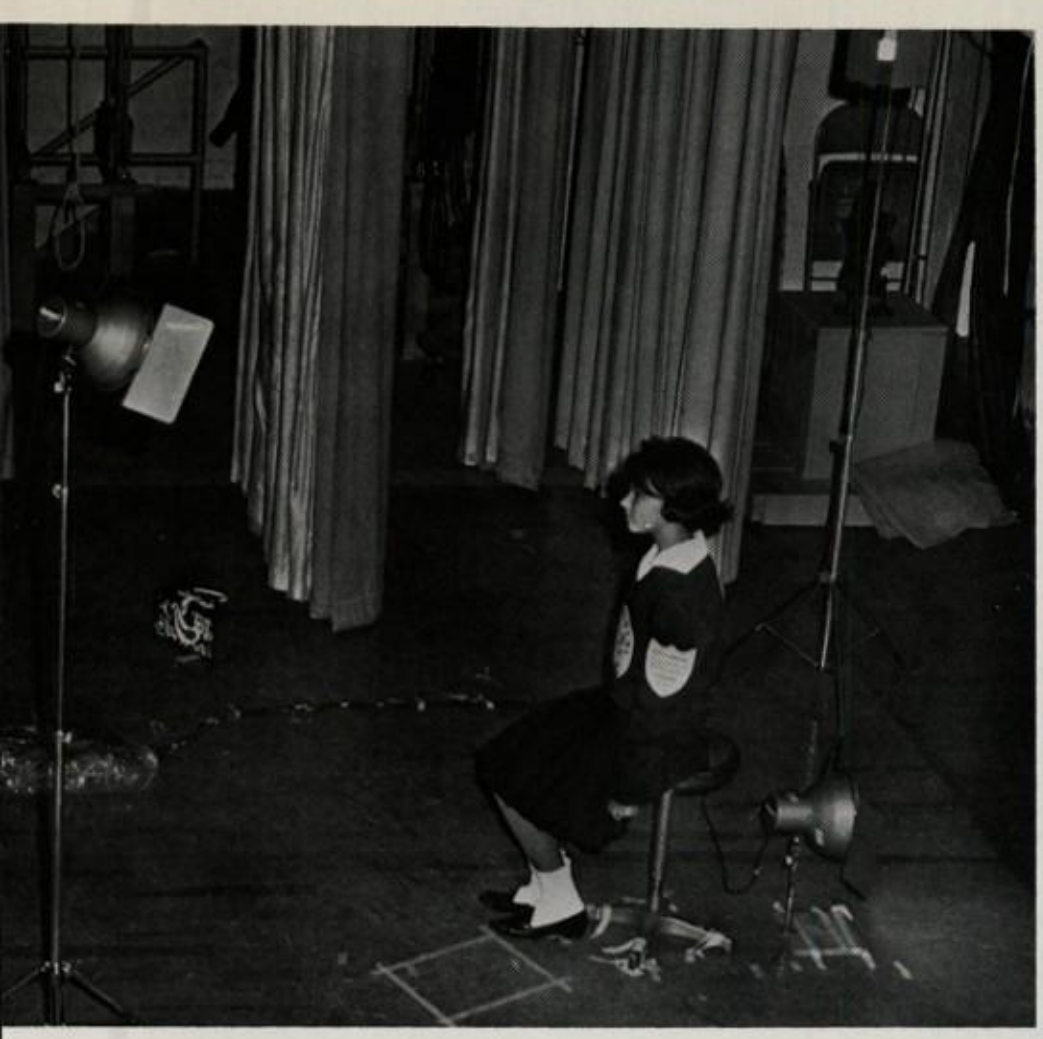
# junior high is harding's future

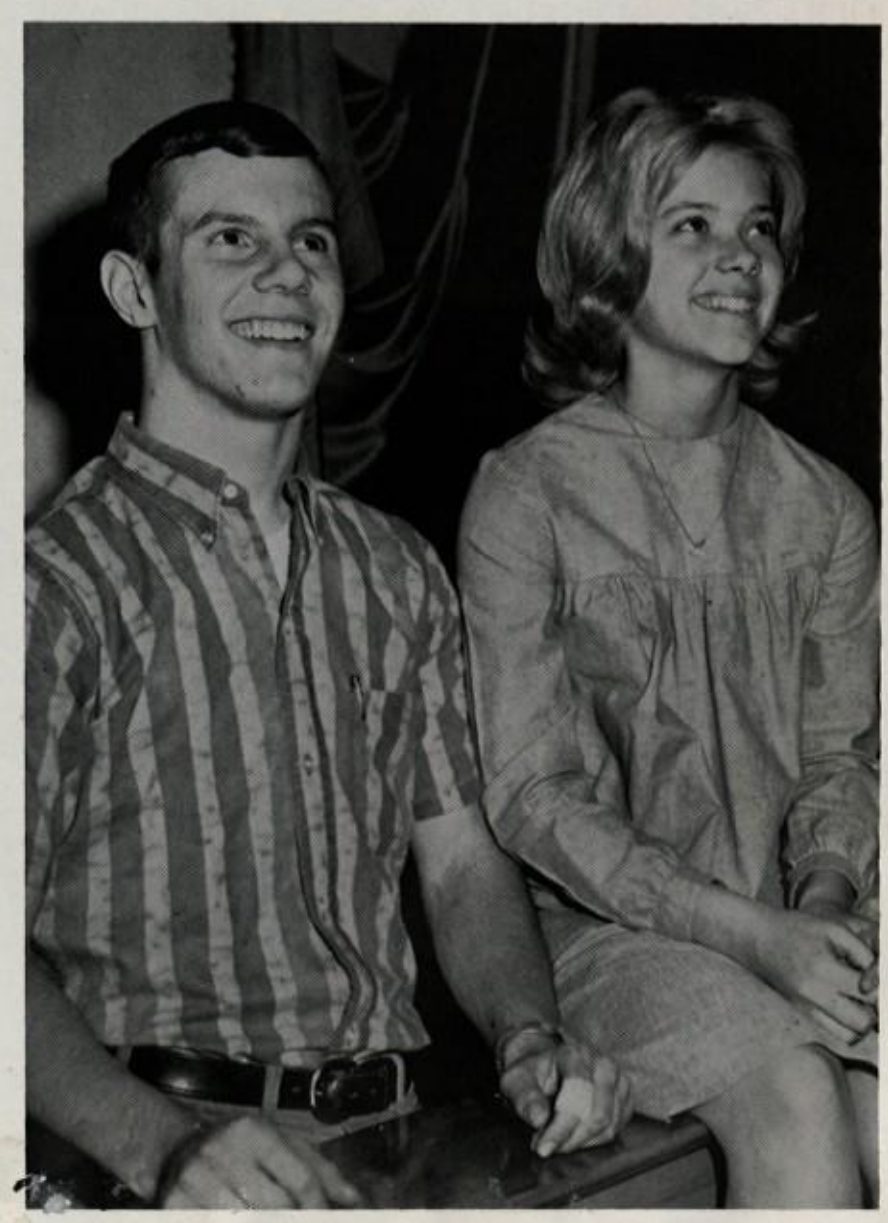
Junior High Cheerleaders, Nancy Stewart, Julie Robertson, Pam Buck, Becky Brown, Vicki Robertson, Cindy Hendricks, Christa Schwab, and Judy Downs practiced all summer in order to encourage Junior High sports.



Pam Henry sat impatiently by as Patty O'Neil complains to Cliff Elliott in **The Bachelor and the Bobbysoxer.**

Beginning the year with the election of Student Council officers, the Junior High participated in many interesting activities and worthwhile projects. The Junior High play, "The Bachelor and the Bobby-Soxer," was presented to the student body on October 31. The highlight of the play activities was the crowning of a Bachelor and Bobby-Soxer King and Queen. The Junior High Cheerleaders received first place at the Cheerleaders Fall Clinic held in Norman. This was the first time that any Harding cheerleaders earned such an award at this clinic. Some worthwhile Junior High projects were the Magazine Drive, the Used Clothing Drive, and the Sock Drive. These projects were carried through the advisories and the Student Council.

The Smile Contest provided everything from red teeth to beautiful smiles, as we can see by the smiles of Debbie Hall and Robert Margo.



Junior High students elected Dean Imel and Cindy Hendricks as Bachelor and Bobby-Soxer King and Queen.

Harding cheerleaders have enriched and contributed to all sports activities for many years, but, this year's were placed among the best. They were not only acclaimed by the Hardingites but by many visitors to the school. This year they set a good example for following cheerleaders by winning first place every day at the summer cheerleading clinic.

# scholarship is its own reward

Merit Scholarship finalists, Robert Roach, Jerry Serwer, Ford Cashion, Danny Smith, and Kenny Jackson, gather around Mr. McFeaters' desk to receive congratulations.

Harding High School is noted for its students who have excelled in scholarship, and it must always continue to do so. The counselors realize the importance of scholastic excellence, and they emphasize the importance of planning for a higher education when they sponsor the annual College Night. This allows the student to get a glimpse of what is expected of him, and what each should look for in a college. The National Merit Scholarship Test is a series of tests designed to record the ability of the student to use what he has learned, and it is given in the junior year. This year Harding is proud to have five boys who have shown their outstanding ability by being selected as finalists in this program. Each is being considered as a National Merit Scholar. There are many specialized courses at Harding where one is able to establish a foundation in a particular field. Among these are the classes in architecture, metal work, homemaking and drama. A unique course is the Great Books discussion group which teaches the student to collect his thoughts, to express himself, and to form a conclusion from his own ideas and from what others say. This and the other courses at Harding aid the students in preparation for college and for life.

# seniors

No one could find a better person to represent the Senior Class as Class Favorite than **Ceci Allen.** Ceci has shown her pep and loyalty toward Harding by serving as president of the Okette Pep Club. Also Ceci has shown her service to Harding through her membership in the Courtesy Club, in which she served quite capably as treasurer. Ceci also found time in her busy schedule to hold membership in the Student Council, Pep Council, FTA, and Phi Epsilon. Ceci's popularity was also proved by her selection as 1963 All Sports Queen.

Senior **Harry Cheatwood** is the perfect choice for Class Favorite. Harry has truly proved himself an asset to the Harding football team this past year by serving as an outstanding quarterback. Along with football Harry took part in basketball and track. Harry held membership in the Boys' O Club. Being Class Favorite is nothing new to Harry as he was a candidate in his Freshman and Sophomore years and Class Favorite in his Junior year.

# underclassmen

**Donna Owen** seemed to maintain a busy schedule during the past year. Donna could be found taking an active part in the Pep Council, Okette Pep Club, FTA, and Mu Alpha Theta. Donna also found time to serve the Junior Class as vice-president and to serve Harding as an All School Cheerleader. Donna is not new to the popularity scene after having served as Class Favorite in her Freshman and Sophomore years.

**John Gwin** is just the man to serve as Junior Class Favorite. John was also Class Favorite in his Freshman year and a candidate in his Sophomore year. John had many activities to keep him busy all during his Junior year. Besides keeping active with work in the Student Council, John found time to participate in Key Club and Hi-Y.

Throughout the year 1963-1964, Harding's Junior Class was extremely active. The juniors began the school year by taking the Preliminary Scholastic Aptitude Tests in the Harding Cafeteria. During the Spring Merit Scholarship examinations were given. Another traditional event for the juniors was the selection of class rings in December. The sponsoring of the Junior-Senior Prom, held on May 15, was the main project of the Junior Class. Their motto, "The great thing in this world is, not so much where we stand, as in what direction we are moving," was a goal for which they strived.

Class Favorite **Sally Quillian** held a full schedule of activities to keep her busy during her Sophomore year. Sally capably served the Sophomore Class as secretary. She also was chosen to be Sophomore sergeant-at-arms for the Debette Pep Club. With these activities Sally still found time to hold membership in Future Teachers and Junior Classical League. There could be no questions asked in reference to Sally's popularity after having been elected Class Favorite the past two years.

Sophomore **Scott Spradling** is the ideal choice to represent his class as Class Favorite. Scott took an active part in the Key Club in which he was Sophomore board member. He could also be found working hard as a representative on the Student Council and the Sophomore Class Council. Along with these duties to keep him busy, Scott still found time to participate on the golf team.

Freshman Class Favorite **Cindie Hendrick** is just the girl to represent her class. Cindie proudly represented the Shenanigan Pep Club as a Junior High Cheerleader during the eighth and ninth grades. This past year Cindie was vice-president of her advisory and a member of the Safety Council. Earlier in the school year, in a contest sponsored by the Speech department, Cindie was selected as the cutest bobbysoxer in the Freshman Class.

**Steve Ramsey** is no newcomer to the ranks of Class Favorite, having served as a candidate in seventh grade and Class Favorite in the eighth grade. Steve kept up an enviable scholastic record while still carrying out duties of Junior High Student Council President. In the Speech department contest held earlier in the year, Steve was a candidate for the smoothest bachelor in the Freshman Class.

## class favorites

One could always find Class Favorite **Nancy Stewart** standing out in eighth grade activities. Nancy was a member of the Shannon Pep Club and a Junior High Cheerleader. She seemed to have no problem keeping up grades and maintained membership in the Junior Honor Society. Nancy was also seventh grade candidate for Class Favorite, and was selected as the cutest bobbysoxer in the eighth grade.

Class Favorite **Jay Quillian** has had past experience in the field of Class Favorite Candidacy with his appearance in the 1963 **Aquila.** Jay served as president of his advisory during the past year and as a member of the Junior High Student Council. Along with his other duties Jay finds time to participate in various Junior High sports. Jay was also chosen the smoothest bachelor in the eighth grade.

## class favorites

Seventh Grade Class Favorite **Valerie Guthrey** has become a real part of Harding in her first year here. Valerie was a member of the Shannon Pep Club in which she was seventh grade representative to the Junior High Pep Council. Valerie also found time among her other duties to serve as president of her speech class.

Class Favorite **Jim Rapp** has found many activities to keep him busy during his first year at Harding. Jim served as vice-president of his advisory and was a member of the Safety Council. Jim was a candidate for the smoothest bachelor in the seventh grade.

BEAUTY SALON INC.

There is only one kind of beauty that can transcend time, and many women possess it. It is, of course, beauty of the spirit that lights the eyes and transforms even a plain woman into a beautiful one. Women with wit, charm and warmth, who are interested in others and forget themselves, and accept each stage of life gracefully, are the lasting beauties of this world . . . and the happiest.

FREEDY,

Well Freddy, it's been a great year! We have Been extremly good friends. Right Freddy! — As you know, Our main prob. was to get Bryan. Right? Maybe I'll have better luck with him next year (ha!).

I sure do hope to see you in the years to come. I'm terribly sorry you have to go to Classen. — But that's the way the ball bounces. Right Freddy! Maybe you can get in second semester next year. HA! You are a cool boy. (what else do you want me to say?!!) — Oh! Your also extremly good looking and will go far in life. (any thing else?)

Freddy,

I don't know what I would have done without you, this year. You are able to solve most of my problems perfectly. I really have enjoyed knowing you and I hope we can continue to be the best of friends even if you go to Classen or I go to Casady. We have shared all our problems and told each other almost everything. Thanks for the assurance you gave me! If it hadn't been for you I wouldn't be where I am now. (Where am I?)

(and Don and Mark)

You have a great personality and a wonderful ability to talk on the telephone! That is one thing we both enjoy! Thank you for all the help you have given me! I'll never forget you!

Good luck!

Caroline
